The College of Engineering (CoE) at Georgia Tech is the largest program of its kind in the country, with over 13,000 undergraduate and graduate students enrolled. All of CoE’s engineering programs consistently rank in the top 10 in their respective disciplines.

**RANKINGS**

- **No. 5**  
  undergraduate program ranking, U.S. News & World Report

- **No. 6**  
  graduate program ranking, U.S. News & World Report

*Diverse: Issues in Higher Education* ranks CoE as:

- No. 1 in engineering doctoral degrees awarded overall to minorities;
- No. 1 in engineering doctoral degrees awarded to African American students

- No. 2 in engineering undergraduate degrees awarded overall to minorities;
- No. 2 in engineering undergraduate degrees awarded to African American students

**DEGREES AWARDED**

\[ 1,110 + 405 + 139 = 1,654 \]

- 1,110 undergraduate
- 405 Master’s
- 139 Ph.D.

**STUDENTS**

- **33%**  
  CoE undergraduates who participated in research, 2014-2015

- **25%**  
  CoE undergraduates who participated in the co-op program, fall 2015

- **In fall 2015, 31% of all engineering students were women**

**FACULTY**

- **450** engineering faculty members, fall 2015

- **24** National Academy of Engineering members

**OTHER FACTS**

- **1.4 million** square feet of space used by CoE

- **150** interdisciplinary centers
